

Solar REU Talk Schedule

Jun 20	Kamen Kozarev & Antonia Savcheva	Introduction to the Sun
Jun 27	Trae Winter	Eruptive Events
Jul 11	Steve Saar	Solar-Stellar Connections
Jul 18	Hui Tan	EUV/FUV Spectroscopy of the Sun
Jul 25	Mah Asgari-Targhi	Coronal Heating
Aug 1	Schanche	Introduction to Public Speaking
Aug 8	Nick Murphy	Introduction to MHD

All talks are from 11:00 - 12:00 in Solar Mission Ops (PB-01).

The Solar REU Summer Talks provide a broad introduction to our Sun and solar research at the CfA. The talks are research tutorials designed for the Solar REU students, but other interested students are welcome to attend.
